Downtown Project Day (formally downtown clean-up day) – we want to close part of 4th Street South of Cedar Street for children of the parents volunteering so they can ride their bikes.

Specific location of event:

4th Street – South of Cedar Street and South of Alley just in front of Depot Park and Depot. The Depot is rented but will work with renter and to see if we can close it just in the morning. If it does not work with the renter of the Depot, the Street Closure will be withdrawn. City Staff will set the cones for the closure – no public works staff will be needed.

Please attach a daily Schedule of Event(s) tentatively planned for each activity and location, if applicable. NA
