Are you an individual with a special talent and you would like to teach a class through the Rawlins Family Recreation Center?

Come and be part of our dynamic TEAM and provide an opportunity for people to grow and learn new things!

## ALL Ideas are Welcome!

Leisure Class Instructors can enjoy the benefit of being able to offer classes without the overhead of owning their own business. There is also an opportunity for local businesses to offer "specialized" classes at their business as well.

Leisure classes are designed to offer opportunities for individuals to learn a new hobby, skill or art.

We are currently accepting proposals for Adult, Youth, and Toddler programs as well as activities specifically designed for individuals over the age of 50. The following areas are suggestions for class proposals:
